Wednesday Dinner Weekly Reservations List

You may sign up for the weekly reservation list by calling the church office by noon on Monday, or filling out the "What's Cooking?" form in the Sunday bulletin then placing it in the offering plate. Please indicate the number of meals (those eating each week) on your reservation. You have committed to attend Wednesday dinner for that week. The church office requests reservations by noon on Monday in order to know how much food to purchase and prepare for dinner that week.

LRBC recognizes that occasionally unforeseen events occur where you will need to cancel your weekly reservation. In most circumstances, LRBC is able to accommodate these cancellations by noon on the Wednesday of the reservation. You are requested to contact the church office as soon as possible if you need to cancel your weekly reservation.

If you have made a reservation, but do not cancel and do not show up for dinner, please pay for your missed dinners. Our goal is to have the money we collect each week at Wednesday dinners completely support this ministry.

Wednesday Dinner Permanent Reservation List

You may sign up for the permanent reservation list by calling the church office, or filling out the "What's Cooking?" form (indicating "Permanent List") in the Sunday bulletin. Please indicate the number of meals (those eating each week) on your reservation. Signing up for the permanent list indicates that you have committed to the payment of the specified number of meals each Wednesday until June 2012 or until you request to be removed from the list.

Cancellations to the Permanent List

In order to cancel a permanent reservation, please contact the church office by noon on Monday or complete the form in the bulletin. Please indicate your cancellation and when your "return" date will be. Monies that have been prepaid will be applied toward future meals.

No Shows on Permanent Reservation List

Anyone with a permanent reservation who does not show up for two consecutive weeks, and has not notified the church office, will be taken off the permanent list. **Payment is expected to cover the costs for those weeks.** Those taken off the permanent list may be added back by making a reservation and paying any balance due.
