

## **Understand and Study the Bible**

### **Session 8: Tools to Help You Understand & Study the Bible**

#### **Getting Started**

- No tools can replace your mind as illuminated by the Holy Spirit, however we live in a golden age of tools and resources to help us understand and study the Bible!
- Gather resources over time, as you need them and as you find bargains. Consider software (like Logos) and web sites (BibleGateway) that include many of these resources.
