Reading Plans

Reading God's Word daily is a critical discipleship activity for ALL Christians. For 2026 we are providing three Bible reading plans for you to consider, plus a daily topical reading option. If none of these meet your needs, there are many more plans offered online or in apps like "YouVersion."

Chronological Bible-in-a-Year

With this plan you will read the entire Bible in the order in which events are believed to have happened. You will read approximately three chapters each day. This is the plan we recommend you use if possible.

New Testament, Psalms, and Proverbs

With this daily plan you will read through the New Testament and the Psalms once and through Proverbs twice during the year. On average you will read about two chapters a day.

Gospels and Psalms

This weekday only plan offers the shortest readings and may be more suitable for families, especially those with younger children. Each weekday's reading consists of about a half chapter from one of the Gospels and a short passage from the Psalms, completing all five books by the end of the year.

Topical Readings

Each day the Topical Reading provides a passage that demonstrates or teaches about a key Biblical concept or truth. They are meant for meditation and reflection that may lead to more in-depth study or perhaps a discussion in a Thrive Groups. The number of days spent on each topic will vary from a week to several weeks.

Enjoy God's Word.
